

Dear Parents,

All curricular material will be sent to the students' Walnut GMail ids. The material would not be available directly on the Classrooms.

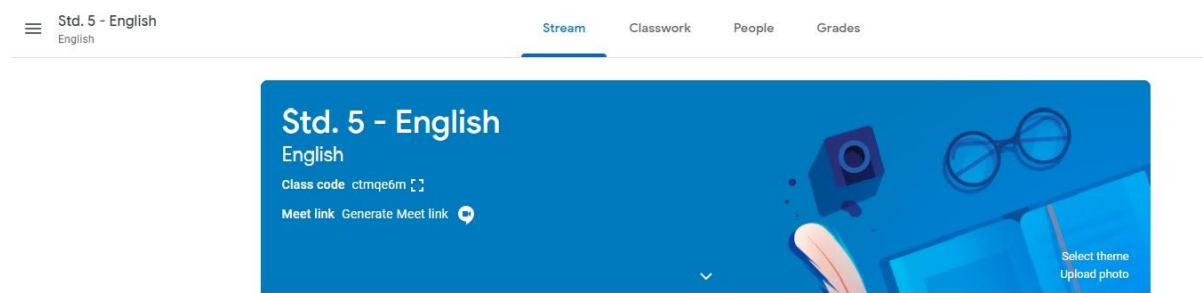

This is how the email would appear in your child's Walnut email inbox :

Here is the academic and activity schedule that you are expected to follow. Please make sure that you follows this schedule as much as possible. Worksheets have been provided to you for the same. Use those and the digital material mentioned below together.

Schedule for: 02-06-2020
Type: Core English Period 1 : Student Dictionary, Unit 1 : Answer sheet, Student Dictionary
Here is the material that you will require in this period to learn: 1. <a href="#">Instructions from the teacher</a> 2. <a href="#">Worksheet</a> 3. <a href="#">Answer sheet</a> 4. <a href="#">Quiz</a> (You will need to be logged in to <a href="#">Walmiki</a> before you click on this link) 5. <b>Once done, please check your <a href="#">Google Classroom for English</a> for your homework assignment. Solve it and submit your work as specified.</b>

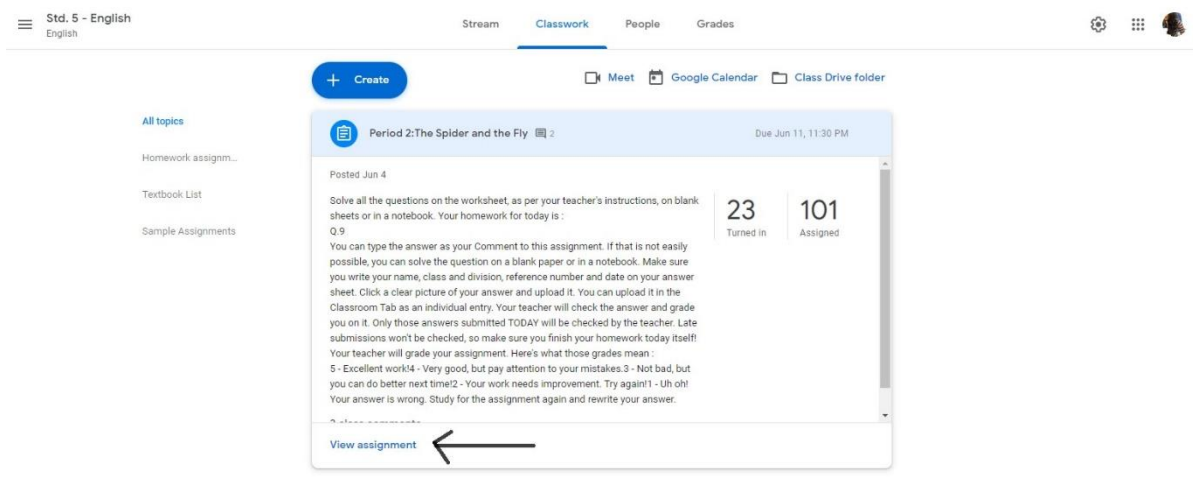

The date at the top of each such section specifies on what date you are supposed to study the listed material. The material as listed in the points can be accessed via clicking on the individual links. You would need to download the material before you actually use them.

The last point will redirect you to the Google Classroom for the respective subjects and you will see the following screen :

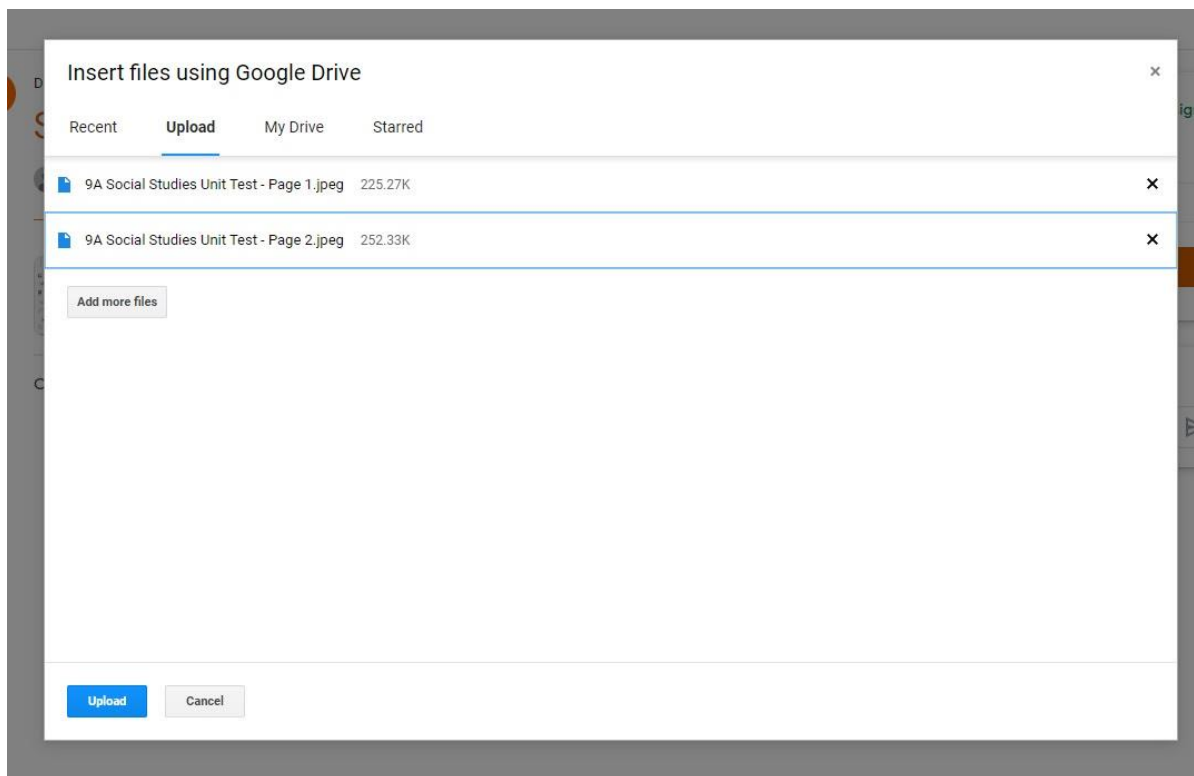

Click on the Classwork tab and look at the homework assignments listed here. The email schedule and the homework assignments are classified as per period number and chapter name.

Click on the assignment of the day. Click on View Assignment.

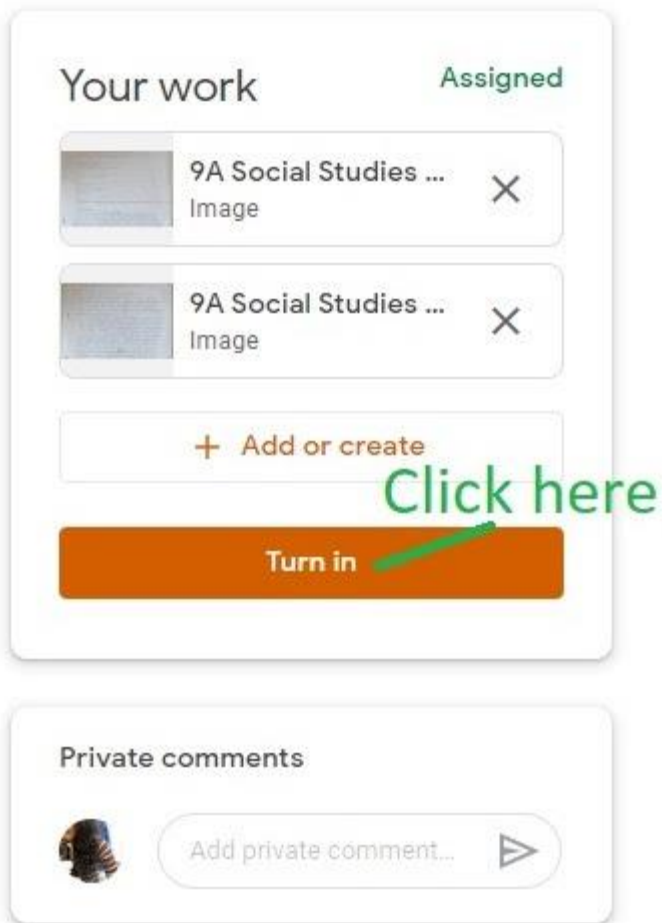

Click on Add or Create.

Choose File and upload the files from your device.

Once you Upload the files, this is how your work will appear. Click on Turn In.

And that's it...you're done! :)

Now wait for your teacher to grade your work and return it to you.

**Please note :** Once you have submitted your work, please do not keep resubmitting your work. Wait for the teacher to grade your work or return your work with a comment. Work that has been submitted a second time without specifically not being asked to, will not be checked by the teacher.
