

Dear Parents of _____,

Thank you for securing admission of your child in Walnut School. We would like to take this opportunity to welcome you to the Walnut Family!

Walnut Schools are unique in every possible way. We have a very meticulously planned learning and co-curricular system, due to which we can have many awesome features like a ton of extra-curricular activities, subject-wise classrooms, and of course, the feature which we all love - NO school bag!

At Walnut, we believe that a child's education is moulded by the active and coordinated support of the parents, teachers and the school. From the moment your child is enrolled in the school, your child becomes OUR child as well. We will be sharing the milestones of the child's academic progress, personality development and so much more!

Communication plays an important role in achieving this sense of comfort with each other, and we specialise in keeping our communication channels open. Just like this email, you will keep receiving regular updates about your child and his / her progress in school, events, achievements and academic updates, over the year.

Going forward, here are a few things you should know :

The Principal of the school is _____ and the Co-ordinator is _____ .

You can contact our Admin in-charge _____ in case of any administration - related queries.

If you wish to get an appointment with any of the above mentioned people, you would need to talk to _____ .

The school contact details are as follows :

Phone number : (Will be shared as per the branch you've taken admission in)

Email address : (Will be shared as per the branch you've taken admission in)

We have an orientation meeting scheduled for the parents before the beginning of the academic year, which is usually held in the first week of June.

The exact date would be conveyed later. You'll get an overview of how things are in that meeting from members of our core team. After that we will have a detailed orientation for you where you will get detailed information about every subject and the activities over the year from the actual teachers who will be interacting with the child. The exact date and time for that shall be conveyed later as well.

As part of our academics, we provide e-Learning content via our own [Walmiki app](#) to the students, making it easier for them to revise concepts at home. Each student has a personal login id and password, thus allowing for regular tracking of their individual academic progress. There are video lectures there for most of the topics in the core subjects and plenty of quizzes to practice as well. A lot of the competitive exam training also happens through this app. They also use it in school for their ongoing tests which are counted in the final result.

You can access [Walmiki today!](#) As you are now part of the Walnut Family, you can access the awesome [Walmiki app](#) from your Android phone or your PC.

Here are the login details :

URL : <https://walnutedu.net> | [App Store](#)

Username : (Use your child's Reference Number to log in)

Password : 12345

All information that needs to be sent to you over the year is communicated to the parents through our own app, which is called [Wal-Sh](#). It is our preferred method of communication, and you can find all the circulars and other announcements updated there.

Here are the login details :

Download Wal-Sh from: [Play Store](#) | [App Store](#)

Username : (Use your child's Reference Number to log in)

Password: (The mobile number that you've registered with school to avail the SMS facility)

In addition to that, we have also created an email address for your child. This is what we will use for any online classes that your child might have to participate in.

Here are the login details for the same:

URL: <http://mail.walnutedu.in>

Username : (Will be shared with you in a customized email)

Password : walnut@12345

Before school actually begins, we request you to collect the following things from school :

- ID cards (Each child is given a set of three ID cards at the start of the year - one for the child, one for the parent and a spare one.)
- Files (For per-subject filing of worksheets that are sent home regularly.)
- Folder (This is all that the students have to carry! Why? You guessed it right – no school bag needed!) :)

The school uniform also needs to be ordered and collected from school in the first week of April. In the same duration, please ensure that the school fees are also paid.

If you wish to avail transport and canteen facilities at additional cost, please contact :

Transport provider : (Will be shared as per the branch you've taken admission in)

Canteen provider : (Will be shared as per the branch you've taken admission in)

We welcome you once again to the Walnut family and look forward to fruitful and exciting years ahead!
